Fratelli Zucchini. Not just “glue”, but *Gluing Solutions*

Fratelli Zucchini was born in 1930, and starting from 1950's is specialized in the production of adhesive and sealants for any application field. Since the beginning, a particular attention was focused on Footwear Adhesives, with a whole Department completely dedicated to this sector.

Fratelli Zucchini does not mean just “glue”, but *Gluing Solutions*: our strength is the undisputed quality of our products, indissolubly supported by the know-how and expertise of our Technical Assistance.

Glue, cement, adhesive.... Too easy.

Fratelli Zucchini: *Gluing Solutions*.
