

## Technical Data Sheet

*Solvents, Thinners, Cleaners*

**adhesives**

# Solvents, Thinners, Cleaners and complementary products

**Solvente AP**- thinner for polychloroprene adhesives

**ST/120** – cleaner to remove traces of adhesive from uppers without demaging leather and synthetic finishing

**ST/121**: thinner for polyurethane adhesives

**ST/133**: thinner for **SD/14** and **SD/14 EL**  
Thinner for polyurethane adhesives in application by machine

**ST/141**: cleaner for rubber, polyurethane soles and synthetic uppers.  
Medium drying. Cleaner for tools and roller machine. Thinner for PU adhesives.

**ST/142**: cleaner for rubber, polyurethane soles and synthetic uppers.  
Fast drying. Cleaner for tools and roller machine. Thinner for PU adhesives

**ST/198**: cleaner for rubber and plastics

**ST/216**: cleaner for solvent wiping polyether sole

### STORAGE STABILITY

18 months in the original container.

Keep away from heat. The products are highly flammable

## Technical Data Sheet

*Solvents, Thinners, Cleaners*

**adhesives**

**Nero GC**: black colour for polyurethane and polychloroprene adhesives

Colours can be added to the adhesives at the rate of 1-2% by weight

**UV Marker**: UV rays detector for halogenating primers **AC/20** and **AC/23**. Added at the rate of 3-5% it reveals traces of treatment on rubber soles.

### **STORAGE STABILITY**

12 months in the original pack. Keep at a temperature range of +5°C and 25°C.

All recommendations relating to the application and use of Fratelli Zucchini products have been given in good faith, based on the company's knowledge and experience. Products must be appropriately stored, handled and applied in normal conditions, as indicated on their respective Technical Datasheet. The variability of materials, substrates and conditions of use is such that no warranty of their functionality for a specific application can be deducted from this information, written recommendation or any other type of suggestion offered. Each user has the responsibility to make adequate evaluations on the efficacy of Fratelli Zucchini materials, products, services, recommendations and suggestions for the specific application required and must accomplish sufficient testing to ascertain that the final product will be safe and sound for the final purpose of the end-user. Fratelli Zucchini cannot be considered liable for any damage, direct or indirect derived from an incorrect use of the products
