

3504 E

SOLVENT BASED ADHESIVE FOR LINING

Description

3504 E is a natural rubber based adhesive suitable for bonding leather, synthetic leather to themselves and in combination. Fast drying, non-aggressive to the finishing of leather and synthetics, it keeps permanently smooth and doesn't stiffen the coupled materials.

Thanks to the high tack and the long open time the application can be done on one side also when the joining is not immediate, for instance in the overlaps. .

Characteristics

Composition	: natural rubber in a blend of organic solvents
Mode of setting	: release of solvent
Colour	: clear, opalescent
Solvents	: aliphatic hydrocarbons

Technical data

Solid content	: 16 - 20 %
Viscosity	: 2500 - 5000 mPas. (Brookfield sp.4, speed 20 at 25°C)

Values valid for product supply specification upon leaving the factory

Method of use

Application: apply by brush or with roller spreader machine onto one or two sides. The joining can be done immediately or some time after. In the event of slaver the adhesive can be easily removed without any trace on the leather.

STORAGE STABILITY

12 months in the original sealed pack stored in a dry place at a temperature range +5°C+25° C.

All recommendations relating to the application and use of Fratelli Zucchini products have been given in good faith, based on the company's knowledge and experience. Products must be appropriately stored, handled and applied in normal conditions, as indicated on their respective Technical Datasheet. The variability of materials, substrates and conditions of use is such that no warranty of their functionality for a specific application can be deducted from this information, written recommendation or any other type of suggestion offered. Each user has the responsibility to make adequate evaluations on the efficacy of Fratelli Zucchini materials, products, services, recommendations and suggestions for the specific application required and must accomplish sufficient testing to ascertain that the final product will be safe and sound for the final purpose of the end-user. Fratelli Zucchini cannot be considered liable for any damage, direct or indirect derived from an incorrect use of the products.
